

In Tanner Machines & Tools, your productivity is our commitment.

With more than 30 years of experience in the metalworking industry, we have consolidated the most important manufacturers of cutting machines and tools worldwide with the best possible technical and human equipment, dedicated to your service.

Committed to achieve savings in the cost of their tools and the decrease in their machining cycles, we guarantee that each of our applications will represent saving to your company, to be every day more competitive.

- Carbide drills
- Carbide end mills
- Indexables milling cutters
- Carbide inserts
- Toolholders
- Reamers
- Thread Mills

- Tools for
- External boraching
- Internal broaching
- Milling
- External grooving
- Internal grooving
- Reamers
- Turning

- Countersinks
- Drills
- End mills
- Carbide inserts
- Carbide burrs
- Taps
- Reamers
- Dies

- Drills
- Vertical end mills
- End mills for gears

- Cabinets for drills
- HSS Drills
- Drill gages
- Cobalt

- Back Counterbore
- Back Countersink
- Back Spotface
- Front & Back Spotface
- Special Form
- Spherical Radius

- Drills
- End mills
- Taps
- Reamers
- Dies

- Carbide deburring tools
- Micro deburring tools
- High-speed steel
- Solid arbor

- Universal drills
- Carbide end mills, HSS and cobalt
- Special tools
- Thread Mills

- Drills
- Carbide end mills
- Carbide burrs
- Taps
- Reamers
- Dies

- Gages for threading
- Carbide taps
- Cutting taps
- Tapping form

- Countersinks
- Solid carbide drills
- Carbide end mills
- Woodruff cutters
- Carbide burrs
- Reamers
- Carbide saws

- Counterbores
- Drills
- End mills
- Custom tools
- End mills woodruff
- End mills for gears with carbide insert
- Reamers

- Gun drill
- Special drills
- Carbide inserts
- Reamers
- Boring Systems

- Tool holders HSK, BT, CAT
- Indexables end mills
- PCD y CBN Tools
- Carbide inserts
- Indexables reamers
- Threadmills

- Indexables end mills
- Ceramic inserts, carbide & cermet
- Insert for grooving
- Inserts for threading
- Tool holders

- Carbide bushings
- Carbide gages
- Carbide grinding quill
- Carbide dies
- Carbide punches
- Carbide form punches

- 5 axis vises
- Precision vises
- Double station vises
- Modular vises
- Tombstones / Toolblox
- Hydraulics and Manuals towers

- Engineering and designs applied to:
- Power chucks
- Collet arbors
- Retractable jaw chucks
- Rotating cylinders

- Chucks
- Hydraulic toolholders
- Grippers
- Magnetic chucks
- Jaws
- Vises

- Collects
- Quick change collets
- Collects for tapping
- Toolholders BT
- Toolholders CAT
- Toolholders HSK
- Compresion system
- Floating system

PARLEC
Measurably Better

- Angle heads
- Toolholders
- Shell mill holders
- End mill holders
- Toolholders for tapping
- Boring systems

ROYAL
PRODUCTS
Optimize everything.

- Collects
- Collect chucks
- Expanding mandrels
- Dead Centers
- Live centers

Jergens
MANUFACTURING EFFICIENCY

- Hoist ring
- Hydraulic clamps
- Toggle clamps
- Locating components
- Quick change fixture manual
- 5-axis vises

- Collects
- Keyway broaches
- Chuck
- Milling cutters
- Counterbores
- Live centers
- Dead centers

TOOLMEX
Industrial Solutions

- Angle Heads
- Lathe live tools
- 4th Axis for VMC's
- 5th Axis for HMC's
- Rotary tables
- Presetters

TECHNIKS
BUILT FOR SPEED

- Adapters for tapping
- Heads
- Precision toolholders
- Magnetic system
- Presetters

HAIMER
Quality Wins.

- Tool holders
- End mills
- Presetters
- Balancing machine

Mitutoyo

- Granite base
- Gage block sets
- Micrometer heads
- Calipers
- Profile projectors
- Durometers
- Micrometers

- Saw bands

Starrett

- Gage go no go
- Gage plain ring
- Gage reversible plain plug and thread plug
- Gage reversible trilock plain plug and thread plug
- Gage taper pipe plug
- Gage taperlock plain plug

GAGE ASSEMBLY
Manufacturers of Precision Gages

WEILER

- Flap wheels
- Anti-spark brushes
- Wire brush braided
- Abrasive cups

CUMI

- Diamond abrasives
- Cup wheels grinding
- Gear grinding wheels
- Grinding wheels
- F-type wheels
- Snagging wheels

NORTON

- Wire brushes
- Diamond discs
- Cutting discs
- Abrasive wheels
- Fibers
- Sanders

- High speed disc centrifuges
- Membrane filtration systems
- Tramp oil separators
- Sump cleaners
- Chip wringers

SANBORN Technologies

- Filter fabrics
- Roltray filters
- Deep bed filters
- Magnetic filters
- Skimmers
- Centrifugal pumps

Industrial Filters Company

CHEMARROW
CORPORATION

- Cutting oil
- Hydraulic oil
- Anticorrosive
- EDM fluids
- Cleaners
- Lubricants for tapping
- Lubricants for dies
- Industrial lubricants

delfin

- Industrial vacuum cleaners

CECOR

- Industrial vacuum cleaners
- Industrial trolleys
- Conteiners for burr
- Conteiners for fluids

- Fireproof cabinets
- Modular cabinets
- CNC cabinet
- CNC Trolley
- Trolley tools
- Workstation

Sarralle
Muebles Metálicos México

- Dual furnace
- Bell type furnaces
- Stands for bench top furnaces
- Tongs

CREST

TANNER
MAQUINAS Y HERRAMIENTAS

- Manual grinders
- Saw bands
- Manual lathes

LAGUN

- Vertical machining center
- Heavy machine center
- Heavy lathes

MANFORD
POWER & DETERMINATION

- Tapping center
- 5-axis machining center
- High speed machining center
- Lathe CNC

- CNC machining center
- CNC milling machine
- Conventional milling machine
